

GLASS CLEANER PRO

PROFESSIONAL GLASS CLEANER

DISCRIPTION

GLASS CLEANER PRO is a very strong cleaner for all types of car windows, which leaves a long lasting clean and clear result after every cleaning of the car window.

CHARACTERISTICS

- Highly concentrated formula.
- Leaves no streaks.
- Does not contain ammonia.
- Safe for tinted car windows.

APPLICATION

RMC Glass Cleaner Pro for use outside the vehicle

Spray from 30-40 cm from the surface to be cleaned. Allow the product to work in for a while and wipe it off with a soft, clean cloth.

RMC Glass Cleaner Pro for use in the vehicle

Spray from 20 cm from the surface to be cleaned. Allow the product to work in for a while and wipe it off with a soft, clean cloth.

For optimum results, use a RMC glass cloth for a streak-free result.
